About This Game

In a new series of "Lost Lands" Susan has to go to the past to try and correct other people's mistakes. Will she succeed? What problems will she face there? All this can be learned by sinking into the new series of "Lost Lands: Mistakes of the Past".

"Lost Lands: Mistakes of the Past" is an adventurous hidden object game-quest with puzzles and mini-games that tells a fairy-tale story.

Many people regret the mistakes of their past, but how many people get a chance to go back and change them? The dark sorceress Cassandra has broken free after centuries of imprisonment, killing all who oppose her in the Lost Lands. To stop her, you'll have to travel back to the past to unravel the secrets of the witch who was buried alive many centuries ago. But be careful, even small changes can cause time paradoxes and may have far-reaching consequences! Can you uncover her weakness and save the future? Find out in this exciting hidden-object puzzle adventure game.

Were you dreaming of a time travel? With us, your dreams come true!

Try not to get confused by time paradoxes!

Learn what the world of the Lost Lands could be, if you had never set your foot into!

Do not allow the Arachnoid army to conquer the Lost Lands!

Return to the starting point and correct the mistakes of the past!

-
- Explore over 40 stunning locations
 - Complete over 40 fun and challenging mini-games
 - Challenge yourself with interactive hidden object scenes and original puzzles
 - Assemble collections, gather morphing objects, historical manuscripts and gain achievements

: Sixth in the series, you have been called to the Lost Lands by Fiora, great-granddaughter of Maaron, the hermit/druid. Seems he is in trouble, and the Lost Lands with him. A witch named Cassandra has taken over the realm and uses arachnoids to weed out any undesirables. You know, like Fiora and you. She has asked you to figure out what her great-grandfather was working on. And rescue them all.

HO scenes interesting, plot engaging, and minigames fun. Not yet placed in the bundle.
