About This Game

Streamers are pitted against their viewers. Streamers sail to various locations in search of gold to plunder. As the viewers watch, the streamer raids the locations and the viewers choose to aid in the defense. With cannons, spells, and teamwork, the viewers can fend off the streamer's attack. The more viewers that defend, the more loot the streamer gets from the raid!

- Each destination within the Plunder world holds new challenges and rewards.
- Unique ships, skins, banners, and sails will be obtainable through procedural events.
- Viewers abilities change per raid to fit the location.

The image shows a video editing software interface. On the left, there is a sidebar with various icons and a search bar. The main area is divided into two sections: a 'Titles' panel on the left and a video preview window on the right. The 'Titles' panel displays a grid of title templates, including 'Bubble - pink', 'Bubble - purple', 'Bubble - simple', 'Flowers and bubbles', 'Party balloons', 'Party crown', 'Party cupcake', 'Party flags 1', 'Party flags 2', 'Party flags 3', 'Party presents', and 'Scribbles 1'. The video preview window shows a scene of three children walking through a field of tall grass and trees. A pink, bubbly title template with the text 'My very best wishes' is overlaid on the bottom left of the video. Below the preview window is a timeline with a playhead at 00:00:05.650. The timeline shows several title clips placed at different points in the video. At the bottom of the interface, there is a scale bar, a project length indicator (00:36), and an 'Export' button.
